MANAGER'S RECOMMENDATIONS

- For the Family, the beach and victorian outdoor swimming pool is just 200 yards down the road. In the opposite direction, only 400 yards away, is Howard Davis Park with acres of grass and flowers. The Aqua Splash Swimming Pool and Waterfront, with fast food outlets, are all through the tunnel and a 10 minutes walk through the town centre.
- Restaurants by the beach. Just a few mintutes walk away you have a wide choice of restaurants. The Nelsons Eye restaurant specialises in all sorts of fish or try the Casa Madeira, a Portugese restaurant with lots of atmosphere. The Roseville Bistro is only 100 yards away - always casual and friendly.
- Live Entertainment, the Ommaroo Hotel and the De Normandie Hotels both have entertainment 3 nights every week and they are both no more than 400 yards away.
